

SERVICES FOR EMPLOYERS

BIZLINK can assist your business with innovative recruitment solutions that meet your needs

We are a not-for-profit Disability Employment Service that specialises in Employment Support Services.

We are funded by the Australian Government so our service is free to employers and clients.

We provide a service for people who are motivated to work and assist employers who require new staff and want to create employment opportunities for people with disability.

Please read on to see how BIZLINK can assist you.

WHAT BIZLINK CAN DO FOR YOU

If your business would benefit by employing the right person for the job BIZLINK can show you how using our service can be a sound business decision.

Free Service – BIZLINK is a not-for-profit Employment Support Service that provides a free employment service for people with a disability and employers, including on-the-job support and training.

Free Training – BIZLINK can provide free co-worker training for your employees, with the aim of increasing awareness and understanding of effective ways to work with people with a disability.

Equal Opportunity Employment and Workplace Diversity – BIZLINK can assist you to meet your recruitment needs whilst achieving your inclusion, equal opportunity employment and workplace diversity objectives.

Local Knowledge – BIZLINK has offices in Joondalup, East Perth, Melville, Cockburn and Rockingham. We have access to local clients and established local employer partnerships.

Workplace Equipment – Most workers will not need any adjustments to the workplace. If required, BIZLINK will provide consultation and apply for funding for workplace modifications and equipment to improve the worker's job performance or access needs.

Incentives - BIZLINK is dedicated to job matching, this ensures the skills and abilities of job seekers meet your employment needs. We recognise that any new employee may initially be less productive whilst training. To ensure that employers are not financially disadvantaged, BIZLINK can offer a Government funded wage subsidy to eligible employers.

Call 1300 780 789 to speak with a Job Search Coordinator to discuss how BIZLINK can help you with your recruitment needs.
