TASTE E-NEWS

First TASTE Workshop a Success

Veena, Site Manager and Les, Employment Coordinator from the BIZLINK Melville office successfully ran the first TASTE workshop for 2019. People who live in the Melville, Cockburn and surrounding suburbs participated.

The workshop went for two half days and covered all 9 modules of the TASTE program. The modules are designed to prepare individuals with a disability for

employment. The highlight of the workshop was the interview role-playing activity which everyone enjoyed the most.

Participant feedback from our inaugural workshop has helped us to modify the course and BIZLINK has set dates for workshops to be run across Perth.
